Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

Permits shall expire according to the State Construction Code rules.

I hereby certify I have read and examined this application and know the same to be true and correct. All provisions of the laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to cancel the provisions of any other state or local law regulating construction or the performance of construction.
