

BEDFORD TOWNSHIP, MICHIGAN
ADDENDUM TO BUILDING PERMIT APPLICATION

SOIL CONSERVATION, EROSION AND SEDIMENTATION CONTROL
(MCL 324.9109, et. seq.; MSA 13A.9101, et. seq.)

The undersigned certifies that the activity associated with this building permit application, and the activity that will occur upon and after issuance of a building permit, does not and will not involve an earth change or land use in the State of Michigan which disturbs one or more acres of land, or an earth change within 500 feet of a lake or stream of the State of Michigan without securing the appropriate permit(s). **A person who violates the provisions of the statute may be guilty of a misdemeanor and /or a civil fine of not more than \$500.00.** Persons should contact Doug Link at the Monroe County Drain Commission (734-240-3101) to determine if their activity may require a permit or permits.
