Scott Reitz, 2816 Sanibel – requested an update on the proposed Cable Committee

Dale Track, 2842 Sanibel – spoke to the board regarding his request for information on public act 152, questioning the township's health insurance costs, and referring to the December 15, 2015 board meeting.

Gail Keane, 1056 W. Temperance – gave some suggestions for the use of BBA grant monies (lights, sidewalks in Temperance) and spoke to the issue of a turning lane at Temperance & Lewis.

REPORT FROM TOWNSHIP BOARD MEMBERS

Tienvieri – stated the proposed communication/cable committee is coming slowly. She also mentioned the names of some potential members and stated that by April a mission statement and other info will be brought to the board.

Pirrone – asked Stewart to speak to resident Dale Track’s questions.

Steiner – again suggested the board create a “tickler” file to track issues that come before the board. He also thanked Gail Keane for her work on the Adopt-a-Road program and encouraged residents to be aware and keep their areas clean.

O’Dell – spoke to the issue of insurance costs and Public Act 152, asking Stewart to consider setting a meeting with Mr. Track, himself and David Manning, Finance Director.

Francis – stated all of Mr. Track’s questions have been presented, the township is paying more for insurance than Act152 allows, which is why the township has exempted itself from those requirements, as has more than 80% of the townships in the state.

Stewart – stated he would redo the information regarding insurance costs and Public Act 152 and show how the board arrived at the numbers. He will clarify the information and place in on his website page.
