

APPLICATION for PROPERTY TAX RELIEF DURING ACTIVE MILITARY SERVICE as permitted under the federal Soldiers and Sailors Relief Act.

Complete this form if you wish to apply for property tax relief while you are on active military service. Mail the completed form to the local (city/township/village) treasurer for the lands that you are seeking relief for. You can file this form before or during your period of service.

What is the Soldiers and Sailors Relief Act? Under this act, property owned by a serviceperson can't be sold to pay delinquent property taxes during the serviceperson's tour of active duty. If your taxes are delinquent during your tour of duty, you will be charged interest at 6 percent per year rather than at the higher rates provided by law.

Exception: A court may permit your local tax collector to sell your property if the court determines that your ability to pay the taxes is not affected by your military service. If your property is sold to pay delinquent property taxes, you will have the right to redeem your property within six months of the end of your active military service.

Note that you can, at any time, pay your taxes on time without incurring any interest for late payment.
