Mohawk Trails Special Assessment District

- Informal public meeting held on May 9th at Bedford Township.
- First formal public meeting held on June 6th at the Township.
- Final roll approved by the Township at the Board meeting on July 11th.
- Survey began in early June after the first formal public hearing and was completed on June 27th.
- Project is in active design stage with anticipated completion of plans in mid-August
- Anticipated bid date is scheduled for early to mid-September.
- Contract award anticipated for end of September with work commencement in early October.
- Recommending final completion date, including paving, for late Spring of 2018 in an effort to afford the contractor adequate time to complete the work and potentially lower project cost.
