

Project Name:	Mohawk Trails SAD
Project Engineer:	Steve Bouws, Mannik & Smith
Office:	734-289-2200
Contractor:	Geddis Paving & Excavating
Preconstruction Meeting Date:	Tuesday, May 1 st
Tentative Start Date:	After July 4 th

The Preconstruction Meeting is intended to be a meeting between the Contractor, the Township and the Engineer (Mannik & Smith). Please be advised that there is no need for citizens to attend the Preconstruction Meeting and, in fact, is more of a technical meeting between the Contractor and Engineer to go over the Contract and to process the paperwork. It is not intended to be a meeting to discuss individual property owner concerns. Individual property owners, if they do have questions, should contact Mr. Steve Bouws, PE at the Mannik & Smith Group at sbouws@manniksmithgroup.com or by calling Steve at 734-289-2200. As noted in the table, the Contractor is intending to start work after July 4th, however, be assured that the project is intended to be completed by August 25th (per the Contract requirements).
